SUCCESS STORIES

Cutting-edge colleges and universities are using the *University Spiritual Life Survey* to understand their students, improve their programs, and close the assessment loop on student spiritual formation. Here is what a few of our clients are saying:

"The University Spiritual Life Survey helped us see and provide evidence of growth and change [in our students]."

Dr. Robert H. Spence

Chancellor & Past President
Evangel University

"After reviewing numerous instruments designed to assess spirituality, I found the University Spiritual Life Survey to be the only one that met our expectations and needs. We intend to make it our primary instrument for longitudinal research on the spiritual needs of our students."

Dr. Rich Carlson

Vice President for Spiritual Life
Union College

"The report helped us diagnose specific areas of strength and weakness and provided suggestions for 'high-impact' ways to improve our discipleship effectiveness. I would recommend the University SLS to anyone seeking to better understand their students' spiritual health and support them as they pursue Christ."

Dr. Shawn Holtgren

Vice President for Student Development
Bethel College
